- Write an email from a student to an internship coordinator at a company, expressing interest in a summer internship opportunity.

Subject: Question About Summer internship opportunity

Greetings, Sir or Madam

I hope this message finds you in good health. I'm a first-year VIT Bhopal B.Tech CSE student, and I'm writing to express my interest in working for your company as a summer intern.

I'm currently strengthening my foundation in computer science and programming, and I'm excited to obtain real-world experience in a work setting. I think that working as an intern at your company would help me develop my abilities and obtain important industry experience.

If there are any internship opportunities for students like me, please let me know. Would you kindly inform me of the application procedure and any prerequisites?

I appreciate your thoughtfulness and time.

Regards,
Rahul Joshi, B.Tech in CSE
